

# Scan Your Library Card

You can now use your smartphone as your library card! Follow the instructions below and never forget your library card again!

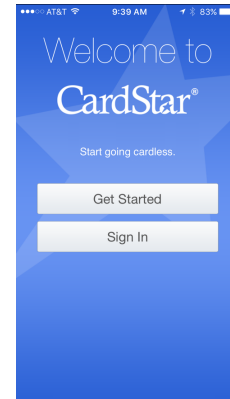

## Step 1

Install the Cardstar app from your device's app store

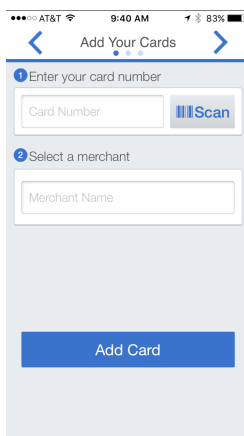

## Step 2

Open the app and click "Get Started"

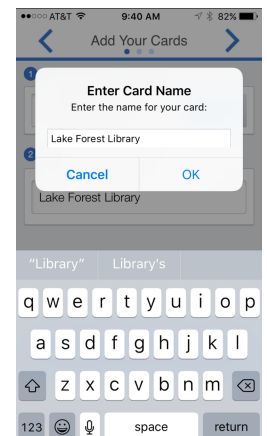

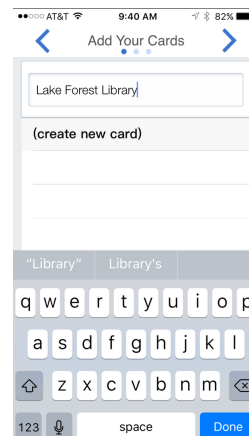

## Step 3

You can either scan the back of your card with your phone's camera or manually enter the library card number

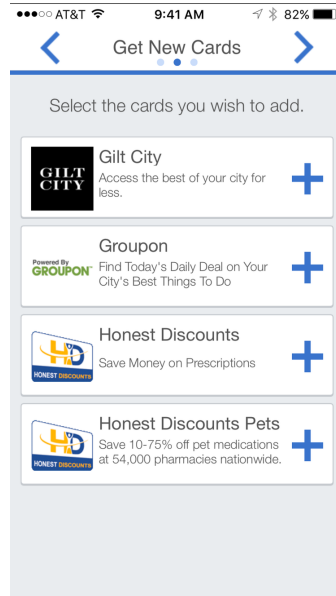

## Step 4

After you scan your card, the app will ask you to "Select a merchant." Type Lake Forest Library and then click "Create new card."

## Step 5

Use the blue arrow at the top of the page to proceed past advertisement and loyalty card offers.

## Step 6

After you proceed past the offers, you will arrive at your account page. You can access your saved library card through the menu at the bottom of the page. The icon that resembles 3 cards is where you will find your saved card.
