On the next page you will be asked to either "Borrow" if the book is available immediately or "Place a Hold" if it is currently checked out. When you click "Borrow," you will then need to click on "Go To Loans" to download the eBook for reading on your device.

Step 9

After going to your "Loans" page, you must click download and choose "EPUB eBook" if it is an eBook or "MP3" if it is an audiobook. After clicking, the book will be downloaded to your device.

Step 10

You can locate and read your eBook/listen to your audiobook in your "Bookshelf" by clicking on the menu icon in the top left-hand corner (three small horizontal lines).
