

Technology 2017

Classes are limited to 5 attendees and are held in the Media Lab. Each class will be 45 minutes in length and are limited to Lake Forest Library cardholders. Registration required.

Digitizing Video

Own old home movies on VHS or VHS - C cassettes that you'd like to save to a digital format? Let the Professionals in the Media Lab show you how to take those old home movies and bring them into the 21st century using the Library's technology. Limit 5 attendees per class.

Wednesday, April 5, 7:00 - 8:00pm

Thursday, April 13, 10:00 - 11:00 am

Thursday, May 18, 10:00 - 11:00 am

Tuesday, May 30, 10:00 - 11:00 am

Organizing Files

Make the most of your computer by learning how to better organize and save your files. Learn the ins and outs of both Windows and Apple file systems so that you can arrange the files on your computer in a way that makes sense for you. Limit 5 attendees per class.

Monday, April 10, 10:00 - 11:00 am

Wednesday, April 26, 7:00 - 8:00 pm

Monday, May 8, 10:00 - 11:00 am

Wednesday, May 24, 7:00 - 8:00 pm
