Addendum 4 for Request for Qualifications for Architectural Services for Lake Forest Library

This Request for Qualifications for Architectural Services Addendum 4 is issued by Lake Forest Library through the Library's website.

Architects shall acknowledge receipt of this addendum by signing and submitting this addendum acknowledgement form. Failure to acknowledge receipt of the addendum may be cause for rejection of the RFQ submission.

When submitting all Qualifications, this Addendum Acknowledgment Form must be included in the Qualification submittal. The Addendum Acknowledge Form page will not be considered part of the 25 single-spaced page limit for Submissions (see page 12 of the RFQ).

This Addendum No. 4 consists of one (1) page and has the following information to be incorporated into the Qualification submittal.

Question: On page 9, the RFQ states that the selected firm should be prepared to begin work immediately after a contract is signed with the goal of completing the feasibility study by May 1, 2018. Is this an absolute deadline?

Answer: The RFQ provided a May 1 deadline based on a review of other projects. Submissions may address the deadline and/or suggest an alternative schedule based on the work proposed.

The full RFQ is at: www.lakeforestlibrary.org/about-the-library/administration/requests-for-proposals.

I hereby acknowledge receipt of this Addendum 4 to the above-referenced Request for Qualifications.
