

STEPS FOR USING THE MANGO APP

Installing and signing into the app

1. Search for "mango languages" in your device's app store and install the app.
2. Tap "Sign Up." Enter your email address and create a password.
3. Select the language you are interested in learning. You can change the language at any time and even learn multiple languages at once.
4. Tap "Search" to Find Free Mango. Search for "lake forest" or "60045."
5. Select "Lake Forest Library."
6. Enter your library card number. Tap "Access Mango."

Learning languages

7. Once you are logged into the app, work your way through the chapters of the language you are learning.
8. To select a different to language to learn, tap the menu icon and then tap "Change Language." Once on the Change Language screen, to add an additional language to learn, tap the (+) plus sign.
