## How to Use

 For your safety remain seated while using headset!

1. Make sure you are using a compatible device such as iPhone 6, Galaxy S5, HTC M8, LG G4, and newer models. You may need to remove your phone's case in order for it to fit, especially with larger models.
2. On your phone, install and launch a compatible VR app from [www.vrstart.com](http://www.vrstart.com).

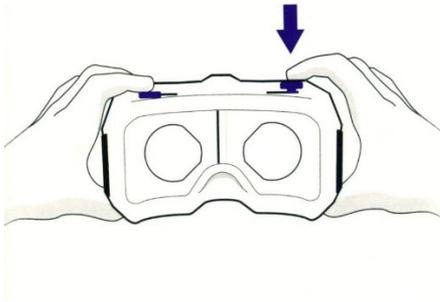

3. Once the VR app is launched, insert your smartphone into the slot at the top of the goggles, making sure it's centered.

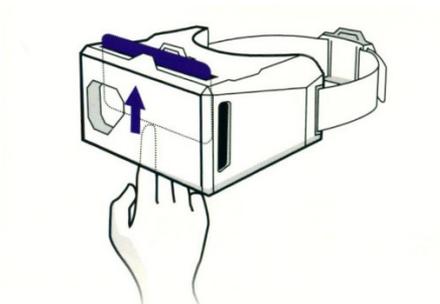

4. While wearing the goggles, hold the **top and bottom adjustments** and slide the lenses left and right until you have a clear picture.

5. To interact with VR apps, hold the **top and bottom adjustments** and press down on the **top input buttons**.

6. When removing your smartphone, push up from the **access slot** at the bottom of the goggles.
